

## Health ICT Newsletter Service

As an independent, not-for-profit company CHIK Services provides innovative and effective ways of increasing dialogue and action on ICT's role in transforming healthcare delivery.

### CHIK Service's Mission is to:

- ✦ actively support and encourage the communication of information within and between participants in the Health and Health Information and Communication Technology sectors within Australia and overseas; and
- ✦ positively influence the development of the Health ICT sector, enabling the delivery of quality healthcare supported by appropriate technology.

### Services provided by CHIK include:

- ✦ publishing electronic Health ICT News fortnightly
- ✦ Tender Alerts that match your profile 3 times a week
- ✦ hosting industry events (such as Health-e-Nation) that stimulate constructive debate and networking ([www.health-e-nation.com.au](http://www.health-e-nation.com.au))
- ✦ publishing our Health-e-Directory service in print and on-line ([www.health-e-directory.com.au](http://www.health-e-directory.com.au))
- ✦ carrying out independent and commissioned research
- ✦ hosting delegations to international health ICT conferences

## Health ICT News Subscription Service

### Your subscription includes:

- ✦ Receipt of the fortnightly Health ICT News via email (includes business opportunities, news and events).
- ✦ Access to CHIK Services subscriber site including, but not limited to:
  - Current and past newsletters.
  - Current business opportunity and job notices.
  - Archived business opportunity and job notices.
